### REMARKS

Reconsideration and allowance are respectfully requested.

The Examiner objected to the previous set of claims, indicating that the change of "each structured sentence..." to "certain ones of said structured sentences..." was a change that required a new patent search. This change was intended for ease of readability, and not at all to change the scope of the claim. That this is the case is illustrated by the fact that the word "certain ones" was a plural, and that the "plurality of structured sentences" referred to in these claims requires only a two such structured sentences. Nonetheless, in an effort to expedite allowance, the language has been changed back to that which was previously set forth.

As such, it is believed the application is in a condition for allowance and such a Notice is respectfully requested. If any issues remain open, the Examiner is respectfully asked to contact the undersigned below to discuss.
